**ACHIEVERS**  
AWARDS  
2025

Having marked the inception of the company in the year 2017, Bafit has been built with the vision of superior quality, impeccable design and the promise of perfection for years to come. Catering to your experiences of luxury, Bafit works towards creating premium bathrooms solutions with high quality and aesthetics. Made with precision in German kilns and using only

### **GERMAN TECHNOLOGY TO ENSURE UNMATCHED END RESULTS.**

Equipped with a skilled in-house team of people to cater to different aspects of one product. Ranging from designers to technicians to manufactures and quality control experts, we are a family that strives for high performance and quality. Backed with experience worth 20 years in the field of faucets and sanitaryware, Bafit understands the nitty gritty of creating products and services that are high in quality, aesthetics and performance. Bringing to you fresh designs that enhance your space and living with their super gloss finish, highest in the industry. Maintaining International plumbing standards in our manufacturing and installations, we are determined to only serve the best.

CML-7600140009

# FAUCETS

Currently, producing faucets in multitudes per day, each with the same amount of precision & care. We use state-of-the-art technology and further test each faucet time & again for its quality and performance. Not only do we extend a **10 year warranty** on our faucets due to its superior quality but also due to our trust in being able to serve you for long after you have made your purchase.

Design & performance packed into one dynamic product, we present to you more than **445 faucets & 208 bathroom accessories** to choose from, for the future of your bathroom and the start of your day.

## CARTRIDGES

At the heart of any faucet, is its cartridge. The cartridge is responsible for the intensity of the water flow and temperature.

- ◆ To ensure a longer and trouble-free operating life of up to 20 years, given the average number of operations per day is 60–70, our cartridges are **5 lacs cycle tested**.
- ◆ To avoid breakage or any disruptions we make sure to use brass instead of plastic in the spindle of our cartridges.
- ◆ Tried and tested to work smoothly even at high temperatures like **85 degrees as well as in a plethora of pressure conditions ranging from 0.5 to 5 bar**.
- ◆ Our wide angled levers provide unmatched comfort and smooth, flawless operation.

## AERATORS

To ensure a splash-free and gentle experience, every faucet is equipped with an aerator which softens the splash. It reduces the splash distance by reducing the volume of the water by making smaller streams inside the main stream of water

- ◆ Our specially **designed honeycomb-structured** aerators, provide the perfect balance and buildup protection.
- ◆ To protect from and avoid sediment and dust particles, our aerators are created with an **anti-clogging dome screen**.

## CHROME FINISH

We promise to provide an unmatched shine that acts a dual warrior against corrosion and the test of time.

- ◆ With a high plating thickness of **10 microns Nickel and 0.3 microns Chrome**, providing tolerance to extreme climatic & water conditions.
- ◆ To ensure a long lasting corrosion free life, every faucet is tested by going through more than **450 hours of salt spray tests**.

# TECHNOLOGY BEHIND THE FLOW

Discover the precision engineering and innovation that power every Bafit faucet. From advanced cartridges to aerators, each component is **crafted for smooth performance, water efficiency, and long-lasting durability.**

180+ hour salt spray test  
ensures long-lasting protection

Long-life cartridge  
tested for 250,000+  
operations.

Honeycomb design ensures  
clean, balanced flow with  
German Aerator

Crafted from solid  
lead-free brass for  
lasting durability

Core Shooter Technology  
ensures uniform thickness  
& smooth flow

Food-grade certified  
imported silicone grease.
